

## **SECTION 9**

### **9.02 OTHER STANDARDS TO APPLY:**

Chapter 9 addresses only 16 inch and 20 inch Transmission Mains. All standards that apply to 4 inch through 12 inch mains shall additionally apply to 16 inch and 20 inch mains along with the following requirements or exceptions. In case of conflict with any other chapter or section in these Standards, this Chapter shall govern for 16 inch and 20 inch pipe.
